### **Praise for *Four in the Garden***

“*Four in the Garden* is a well-told and inspired tale about learning to trust in God. A spiritual message - complete with action, suspense, mystery, and some unforgettable characters and spectacular imagery. I believe that it may be destined to be a modern-day classic, alongside the works of C.S. Lewis, Hannah Hurnard, and other great authors.”

—Shauna McFadden, Long Beach, CA

“Not often does a writer appear on the literary scene with such an unforgettable story as *Four in the Garden*. A beautifully written, emotionally fulfilling read.”

—Sue Clark

Award winning writer of *Is Anybody Listening*

“Awesome Book! Well written and thought provoking! CS Lewis meets Eckart Tolle meets George Lucas.”

—Anthony L. Sawyer, Eugene, OR

“How fortunate I feel to have stumbled onto this remarkable, beautifully written and immensely thought provoking book. I found myself highlighting sections and quotes, often rereading them because they were so articulately written and deeply meaningful. I was impressed by the author’s ability to take aspects of spirituality and create a work that is altogether new, fresh, and completely inspired.”

—Keli Martinez, Pleasanton, CA

“*Four in the Garden* is a symbolic narrative bathed in spiritual meaning. It is a treasure chest overflowing with nuggets of truth. It challenges the reader to search out their own soul. *Four in the Garden* is one book I will read again and again.”

—Cheryl E. Rodriguez for Readers' Favorite

“*Four in the Garden* is simply one of those books you just hate to put down. I was drawn into the story line immediately, and thought it was a great way to demonstrate "Creator" and all that a spiritual life entails.”

—Amy Vey, Friendship, WI

“Rick Hocker has written a unique spiritual fantasy of a transcendental ordeal. His description of the ecstatic mystical experience is unparalleled.”

—David Brin

Author of *An American Musician Visits Cremona*

“Your book really helped me. I am now extremely happy in life. I was struggling for years. Art that inspires one to seek within and find truth through the painful act of living is truly priceless. Keep it up!”

—Tony S., Oregon

“*Four in the Garden* brought a time of spiritual renewal for me. The author brought to light in a creative, refreshing way the potential we have for experiencing intimacy with God.”

—Jim Strouse, Vancouver, WA

“How often have we heard someone say that if there was just one person in existence God would have gone through the whole process for that one. Hocker's book develops that idea. I liked how Cherished, the lead character, didn't have any shortcuts to the conclusion. I recommend it highly. I know I'll be rereading it over and again!”

—Bill Caldwell, Joplin, MO

“I found the spiritual nature of the book genuine, wise and thoughtful. I underlined something, I cried at the end and I'll probably read it again.”

—Barbara Cole Brooks, Martinez, CA

“This is a great book that tells a story that somehow everyone has gone through. I just loved it.”

—Jorge Moreno, Mexico

“*Four in the Garden* is a delightful and multifaceted read. This is a perfect BOOK CLUB read to bring forth a great discussion. I plan to read it again, with highlighter in hand, to mark and remember the wisdom, beautifully stated on each page.”

—Janet Piper, San Leandro, CA

“This is probably the best description of a personal relationship with a higher power that exists anywhere!”

—Melinda Hills for Readers' Favorite

“The journey for Cherished was truly about learning to trust, and it made me look at myself in that aspect - I learned a lot from that reflection. The story was thought-provoking, emotional, and transforming.”

—Michael Darling, Palm Springs, CA

“Rick Hocker's *Four in the Garden* challenges the reader and offers guidance even when all seems lost. I enjoyed the fact that the book had a message of where true hope and direction comes from.”

—Cyrus Webb

media personality, literary advocate and award-winning author

“*Four in the Garden* is an allegorical story similar to the writings of C.S. Lewis. This book definitely inspired me to trust more fully in God. I highly recommend it!”

—Doug McCoy, Pleasant Hill, CA

“I flew through the first hundred pages, devouring the richness of the imagery and the comfort of the author's writing style. With each chapter I find insights, gentle ways to view life very differently, without any attempt to drag me into a belief.”

—Glenn Gebhardt, Ripon, CA

“*Four In The Garden* is an amazing fantasy-allegory; a story about the creation of one human by God. Told with clarity, pathos, and vivid detail, *Four In the Garden* is a refreshing read about hope and human triumph.”

—Alex Davis, San Francisco, CA

“The spiritual journey is very rewarding and helps readers delve into their inner selves. A very original story that is inspirational and uplifting with its unique plot.”

—Mamta Madhavan for Readers' Favorite

“Creative, ingenious, enlightening! Each time I picked up the book I immediately was re-engaged and challenged to consider the nuggets of wisdom found in that chapter! If you were enamored with the colorful, creative Harry Potter series then you already know how fun reading this book will be.”

—Sandra Wing, Pleasanton, CA

“A beautiful story of man's relationship with God, through fantasy, that leads the reader step-by-step to discovery of life's greatest truths of love, trust and redemption.”

—Lucy Hart, Concord, CA

“It caused me to think about the deeper meaning of life. I highly recommend it.”

—Karen Lee, Orinda, CA

“A brilliant, thought provoking piece of work. The imagery, the fantastic descriptions, made me feel as if I was walking along in the Garden. A great read.”

—Dennis Carreiro, Orlando, Florida
